FACTOR TRANSPORTATION, Suspension )  
and Investigation of Revocation of )  
Certificate No. 987 )

Case No. MP-2006-011

This matter is before the Commission on respondent's response to Order No. 9248, served January 12, 2006.

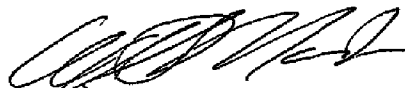

Under the Compact, a certificate of authority is not valid unless the holder is in compliance with the Commission's insurance requirements.<sup>1</sup> Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 987 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

Certificate No. 987 became invalid on January 12, 2006, when the \$1.5 million WMATC Insurance Endorsement on file for respondent terminated without replacement. Order No. 9248 noted the automatic suspension of Certificate No. 987 pursuant to Regulation No. 58-02, directed respondent to cease transporting passengers for hire under Certificate No. 987, and gave respondent thirty days to replace the expired endorsement or face revocation of Certificate No. 987. Respondent submitted a \$1.5 million replacement endorsement on January 31, 2006 and an affidavit confirming that respondent ceased operating as of January 12, 2006. The affidavit is corroborated by DC Medicaid's agent for processing carrier invoices, ACS State Healthcare.

Based on the evidence, the suspension shall be lifted and this proceeding terminated.

IT IS SO ORDERED.

Executive Director
